

## ASPIC FILLED MELON

- 1 Large Melon
- 1 Package Fruit Flavored Gelatin

### DIRECTIONS

1. Cut off one end of melon and scrape out seeds.
2. Reserve the cap.
3. Fill the cavity with water, then pour into measuring cup.
4. Stand the melon upside down to drain.
5. Prepare gelatin with boiling water measured to the amount needed to fill the melon.
6. Dissolve gelatin in water, then pour into melon.
7. Place cap on top and refrigerate until set.
8. Slice the melon being careful not to dislodge the gelatin.
